

## PALFFY GARDEN, Valdstejske nam. 3, Prague 1

The Large Palffy Garden is one of the Palace gardens near Pallfy palace, it flourished in the 18<sup>th</sup> century when various romantic structure were built with art decorations (garden terraces, balustrades, fountains etc.)

The Large Palffy Garden consist in a relatively extensive two-tier layout. It does not have a salla terrena or any other covered areas. Its terraces are relatively steep and grassy. The general character of the garden is rather austere, nevertheless very dignified, almost majestic.
